Canyoning - River Safe – Waterfall Activity

This activity is educational, exhilarating and fun! Using our canyoning and river rescue expertise, we deliver the NZ Water Safety Council “Be River Safe” program with a ‘Swimming Hole Safety’ focus. Participants learn how to identify and avoid typical river and stream hazards with a common sense approach. We also do river-crossings, check a swimming hole for hazards prior to using a natural water slide and doing cliff jumps.

Age guide: Recommended for Year 5 / 9-10 year olds and up.

- b. Closed shoes such as sneakers/running shoes that can get wet. No jandals / sandals please!
- c. Medications - especially for wasp and bee stings

Abseiling – Dry or Wet!

Water rushing around your feet in a dark enclosed canyon is the ultimate abseiling experience. The Glentui Meadows Lodge Canyon abseil trip consists of three x 12 meter high waterfalls. Fully guided, this is a mini canyon descent, top to bottom, once you’re in... there’s only one way out!
